

the **CANBY.** **community** scholarship endowment

A Blue & Gold Foundation Initiative

**OUR
CAMPAIGN
GOAL IS:
\$500,000**

The Canby Community Scholarship Endowment hopes to provide the opportunity for each Canby graduate to earn a \$1,000 scholarship. It was established through the **Blue & Gold Foundation** to connect education and student learning to the good of our community.

If we are successful in meeting our goal, every student who graduates from **Canby High School** and goes on to post secondary education will receive a \$1,000 scholarship toward their educational goals!

To accomplish our goals, we need your help!

Will you join us?
